Fall Happenings

Many activities have been tediously planned this fall by Student Council for the entertainment and mental well being of West's students

Dull, ham-dram lunches have been brightened with the outstanding gleeful singing of our choral groups, where individuals have a chance to share their talents as do groups. Ah, they really do make funchtime more enjoyable for everyone

The mid day mealtime entertainment also includes bands who play for free to audition for dances. Some proved to play exquisite music and resulted, in time, in performing for future dances. Among these talented groups included Ousis and the Army Rock Band.

In mid-October West brought a professional rock group. Volker Danham and Heard, to perform for the enjoyment and thrill of all. Some of their performance featured Ducling Banjos and many of their own works. Before and during the concert they hunded out posters and used dry see as they entered the stage, creating an atmosphere of intense excitemen.

This fall's Sockhop, sponsored by the Sophomore class, was quite a hit. Friday afternoon the students dressed in bobby socks, rolled jeans, sheked back hair and pony tails to set the mood of the 50's. That night the dance, which was held after the football win over South, really swung with music played by the Rock and Roll Revival

And then, this fall's optional assembly featured pantaminist James Paskel. His performance in the bandshell included his version of The Box and amoutations of Freshman, Sophomores, Jamors and Seniors at a drinking fountain. The people who came enjoyed the sunny out door atmosphere and super talent of Paskel, to say the least

Once a year you can have a hearty feast in West's cafeteria. The annual pancake breakfast, held in early October, consisted of delicious pancakes and savory sausages. The fine food was prepared by the coaches, served by the Hostess Service Club, and, what little was left over, was cleaned up by the Varsity Football team. The breakfast was hosted by the Letterman's Club and the Hostess Service Club. For the low cost and the good food, the deal can't be beat. See you there next year

Right Carol Frehse and Sue Franks taste test for Aunt Jemima, Bottom, Coach Mike Eaton dishes it out

Jeff Linsky Displays Rare Guitar Artistry

Professional guitarist Jeff Linsky, a graduate of West, class of '69, returned in October for an optional assembly. Judging from the audience's enthusiastic reception, one can only conclude that his performance was highly successful. Linsky demonstrated the many different styles played on the guitar, giving a relaxing flow of Flamingo, Classical, Jazz, Contemporary, and a few pieces of his own to the anxious audience.

Towards the end of the program, Linsky invited well-renowned guitarist and personal friend, Gene Leis, to accompany himself on stage. Leis played many Jazz songs, which were very popular when he was in high school

Students found this optional assembly both entertaining and worthwhile

Homecoming Tradition Keeps With the Times

1974's Homecoming was traditional in every sence of the word, with the surprising exception of a Homecoming King. Senior Class President Alex Gaitan decided that in order to "modernize" the event, crowning a king along with a queen, would be more in keeping with today's values. The idea received initial criticism, but in the end most everyone liked the idea.

The crowning took place during halftime at the West vs. Santa Monica game. The traditional parade of MG's was led by last year's Queen Judy Smith. The five finalists were escorted by their fathers down a red carpet to the 50 yard line, where they stood nervously in front of an expectant crowd. To increase the suspense, the finalists were announced in reversed order. The King was to be announced during the dance after the game Sandy Robbins, majorette, was selected as queen by the senior class. The finalists were selected by upper class members.

The theme for the Homecoming dance was "I nder the Harvest Moon" Decorations included a scarecrow, harvest stocks, pumpkins, and stars everywhere. Heading the Decorations Committee was Kathy McAtee Steve Codey, varsity center, was crowned West's first Homecoming King

Entertainment was provided by Freehand who served up a variety of music, from soft rock to "golden oldies". The gym appeared full, but the previous grads did not make up a significant

Warrior Week

Its been an unwritten rule that the week before Homecoming be a special time for promoting school spirit by involving students in unusual and quite often funny events. This Year's promoting was referred to as Warrior Week, which was very successful Various activities included were a powderpuff football game, a special drawing which enabled ten lucky winners to eat lunch with the top ten Homecoming Court, a Spirit Stick contest, and a pie eating contest which could best be described as a pie fight. The events were not only fun for the participants, but for the onlookers as well, especially for those who were "creamed" at the pie ordeal.

Many Moods of Christmas

This year's Christmas Concert, "The Many Moods of Christmas", was better than a success, and reflected superbly the talent incased in West. The theme was illustrated through song, dance, and narrations written by Norma Willson's Advanced Placement English class

All five choral groups, including the Artistocracy, Concert Choir, Advanced Girls' Glee, Beginning Girl's Glee, and Men's Chorus participated in song and movement under the direction Donnelly Fenn. The Dance company, which performed to the selections by the Concert Choir and Aristocracy were also excellent

Highlights of the concert were a Barbershop Quartet, made up of members of the Aristocracy; duet by Mark Gordon and Cyndi Mannion, "I Believe In Sants Claus"; and the combined Glee Clubs singing "Fruitcake"

The concert ended with the combined groups singing the traditional "Halleluiah Chorus", which preceded a standing ovation to the performances.

Dance Production, Best Ever!

Dancing on a circular stage was the main idea behind the Dance Dept's Dance-In The-Round, held in late January. The seating was set close to the stage to allow the audience to identify with the dancers, and so that the feeling of the dance could be well transmitted. The splended aray of dances were performed by the Dance Company, using many marvelous methods of dance, including humorous, Jazz, abstract, litical, and modern. The wide selection of costumes added beautiful color to the great choreography of the girls, of whose costumes ranged from original creations to classical ballet. The night pleased the many spectators with the great tip-toe talent of the dancers

Once again, the sponsor of the dance groups, Gerry Holcomb, put the performers a step in the right direction

Pops Concert "Large" Success

The many West High concert lovers were in for a real treat when the West High hand put on their annual Pops Concert. The concert included spectacular performances by the Wind Ensemble, Advanced and Concert bands. These bands played humorous, concert, and American Folk songs and included special performances by Tom Bopp playing a piano concerto and Cheryl Mckee with a flute solo

As the audience will attest, the band put on a grand performance. It will be interesting to see if they can top this performance next year

Sadie Hawkins Returns— Big Hit!!!

Hey, Ya'll'

The traditional Sadie Hawkins dance done returned to West a kikin' and a holtorin' and it plum tuckered out those kinfolk that attended - but they loved it just the same! And danged if we didn't do plenty of activities such as: Pie eatin' contests, apple bobbin', marryin' Samantha and Sam, (real nice folks!) and spontaneous squaredancin'! Ya-Hoo!

The whole thing was done sponsored by the Girls Athletics Department in order to help raise money for some lucky senior gal

"The Other Side of Love" Choir Assembly

The Other Side of Love was the wide-range theme used for West's 5th Annual Choir Assembly held in March. Ah, yet another array of spector and thought provoking words of inspiration filled this assembly with members of the Aristocracy reciting speculations of love written by Carol Regal's AIP class.

Thorsadd to the decorrol the presentation, the singers all wore Tahirts with hearts on the girls and arrows on the boys to symbolize the somantic sides of love. It all helped set the audience in a mood to readily perceive what they had to offer: a combination of songs such as "Come Share My Life," "Rainy Days and Mondays," "Tomorrow's Gonna Be & Brighter Day," and "All I Know." Chorcography and solos also helped the Assembly to run smooth the solos were performed by: Mark Gordon, Laura Charness, and Suc Livingston, each having an aspect of love for its theme.

Hark! What sweet song upon yonder gymnasium breaks? Ah, yes-of-course . . . it's the Glee Club's mid March concert¹

Why, for a mere pence or two, one could sit back and soak in the superb essence of current popular music to the soothing harmony of classical

Among the songs presented were selections from "On a Clear Day", a most enjoyable "Echo" song, a combo of Advanced and Beginning Glees, the mellowness of Joni Mitchell songs, the heart fendering "City of New Orleans" by the Mens Choir, and an impressive list of soloists including Judy McIntire, Barbara Wetzel, Bev Jephcott, and Gary Ellison. Deserving Attention... Jean Costeau and Freecloud

Jean Michele Cousteau, underwater architect, diver, and one of the world's leading ocean conservationists asked to come to West High to inform the students of the need to save the oceans Conserving the sea was his topic presented to some 650 West High student at a special assembly, March 17, periods 2 and 3. With him, Cousteau brought over 200 color slides of an extremely educational field trip to which he and some 75 students from Pepperdine University, ventured. On this particular trip, the students, under the direction of Monseur Cousteau, observed ocean life in its most unspoiled and quite refreshing form. The tremendous slides included various forms of fish life, coral, island structure, and glorious sunsets ... as well as the natives on the island. Jean Michele Cousteau's presentation sparked a large interest among the many West High students attending

Freecloud, a sensational music group, consisting of John Newman, Mark Gordon, Larry De Gasperin, Don Galbraith, Sam Sorensen, Jim Gross, and George Gagliandi, gave an exceptional lunchtime concert on March 20th. The repetoire was made up of works by the one and only David Bowie. The audience thoroughly enjoyed the exquisite movements, choreographed by Mark Gordon and John Newman, which included a jump off a high-rise stage by Don "the Leaper" Galbraith whilst playing a guitar. This was the most largely attended lunch activity of the year, and the audience deemed it the most successful

"Let it be a challenge" means you're stuck with it, "Interpersonal relationships", means a fight, "File in alphabetical order" means to throw it away, and "It has come to my attention" means you're in trouble. No, this isn't a normal chaotic day at West. Actually, it's the mess that the new teacher, Slyvia Barrett (Suzanne Ste. Marie), finds herself in on her first day of teaching school in the play, UP THE DOWN STAIRCASE. Slyvia soon seems to be fighting a loosing battle when she compulsively tries to defend a rude and difficult young man named Joe Ferone (Jon Cohen) She becomes involved in a romance, a confrontation with a disciplinary administration, and most of all, with the unexpected problems of her students

Poetry Man

We are flying at an unknown altitude
And an incalculable speed
The temperature outside is beyond words

If you look out your windows you will see Many ruined cities and enduring seas But if you wish to sleep please close the blinds.

My navigator has been ill for many years
And we are on Automatic Pilot; regrettably
I cannot foresee our ultimate destination

Have a pleasant trip
You may smoke, you may drink, you may dance
You may die
We may even land one day

Consistency and Motivation Proved to Be the Prevailing Factors in the Warriors Success

It was another season of action, thrills and suspense as the Warrior Varsity battled to be on top of the Bay League

The gridders got on the winning track when they traveled to Long Beach Wilson, Defense was the name of the game, and when the offense took the field, they were chiefly a running attack. Defensive back Mike Roquemore played an outstanding game as he led the team in tackles, intercepted a pass and scored the first touchdown of the season. West deleated the Bruins 22/10

Six foot, 214 pound guard Brian Stranger (Above), appears as an imposing threat as he runs interference for fullback Olen Peterson (35) against Centennial. The Warriors powered by the Apaches 21-6.

The first home game of the season was against Monrovia's Wildeats. The score was in the books as 17-22, which only denoted a Monrovia victory, but the score did not tell of the Warrior persistance and dedication that made it a classic see-saw battle. Senior Steve Zak, who was injured during the game, (See page 47), ended his colorful high school football career.

Centennial only proved to be victims for experimentation (See page 48), as the strong Warriors pounded by the Apaches 21-6. West had a chance to use new offenses and experimental plays to polish them up before their boot with the Hawthorne Cougars

The Hawthorne game turned out to be a big offensive dissappointment. Warrior defense kept the game from becoming a total toke as West could never fully capitalize on Hawthorne mistakes. Both special teams scored the only West points, a kickoff return and a punt return. West was thwarted I

Homecoming was against the Vikings of Santa Monica and West's defense was again the dominating factor. Outstanding pressure by the front four kept Samo from going to the air, and made them use their inferior ground game. Total team effort made this win possible as the Warriors dealt past the Vikes 21-7.

The Warmors traveled to the 'school by the sea' to clash helmets with PV's Sea Kings (see pages 46,47 and 48). Probably the most exciting game in most fans opinion, West rallied to come home victorious. 10-7 was the final from Palos Verdes.

West's third loss of the season came when they hosted Rolling Hills. The Warriors fought to comeback but the clock turned out to be their worst enemy. The Titans shaded past the Warriors 18-14.

What a game! What an upset' The Saxons of North came into this game undefeated and in first place, but the more prepared Warriors shocked North 17-14. The game was a big boost to the warrior moral, and the outcome surprised the average student

South was the final game of the regular season, and from the very first play West showed they wanted to finish their season appropriately. On the first play from scrimmage QB Mark Vasi threw to Cory Hons in the flat and there was no stopping the 5'9" split end who went all the way for the first 6 West points West won '8.0

Well it's history now. No deabt it was one of the most entertaining seasons for the fan. Around school it se man as it everyone was talking about Friday's game, and with a little bit of luck, it if he that way again next season.

Sophomore, Freshman Warriors Show They Have Talent. Produce Season of Excitement.

The Warriors finished third in the league with a 4-3 record. Plagued with injuries, the team fought back with a well-balanced offensive attack. Hallback Bob Hudspeth led the team in the rushing department, passing was the best ever produced on a sophomore level. Dave Weatherman, a very poised and capable quarterback threw at will to four exceptionally good receivers: Mike Franks, Dale Hyashite, John Duncan, and Fred Mitchell. The line, probably one of the biggest ever, was led by "Easy" Ed Penningtion, Mark Holden, Mike Leonard, Jerry Stablein, and Jack Cambell Although the Warriors finished third in the Bay League they were constantly in the running for first place. Special thanks should go to Rick Petersen, and Ron Marra for donating there time to aid the coaching staff of John Black and Kurt Davis.

Our Frosh football team enjoyed a superb season in which they amassed six wins to go along with just one loss and one tie. While opening up the schedule with a tie against Bishop Montgomery and a loss to Monrovia the team began to yell and soon became a well coordinated unit. The strong competitive desire was clearly evident as our Warriors won their remaining six games highlighted by a 3-0 win over North and the Bay League Championship

The intire Defensive Unit, led by Darryl Rippstein, Ed Torres, Jon Turner and Rick Tiberio, placed unrelenting pressure on each opponent. So effective was this group that only three foes were able to score. Offensively the Frosh capitalized on their strong front line and the scoring

punch of Tim Roquemore, Kevin McMillan, Dennis Brown, Henry Herron and, of course, Ken Walter Jr. It was Walter's strong leg that provided West with wins over North and South, 3-0 and 9-7, respectively. Along with his stellar performance as offensive guard and linebacker Walter was chosen Most Valuable Player

Freshman quarterback Ron Zinns (Below), gives the call to Henry Herron on this play against Verbum Dei. The powerful Warriors blitzed past their opponent 27-0

The Warrior Varsity won the big Moorpark Invitational over Royal, last year's defending C.1F AAAA champs; Powerful Dos Pueblos, a very strong Torrance team and many outstanding others. Tom Herman, John Curry and Jeff Schor took three of the top 10 spots to lead the overall varsity win

These three boys, along with Doug Skinner, Rod Tower, Larry Janisch and Mike House continued to impress with near perfect scoring wins over South, Micohi, and Samo The Warriors were 4th overall in a tough Morningside Invitational and placed high in each division

They then proceeded to win the runner-up championship of the El Camino Invitational by placing John Curry, Doug Skinner and Tom Herman all in the top 10. The Varsity placed 6th out of 28 of the C.I.F 's best in the big PV Invitational with Tom Herman, Jeff Schor and Doug Skinner leading the team: strongly backed by Rod Tower, Larry Janisch and Mike House, Junior Jeff Schor set a new all-time West High home course record of 14.25 for 3 miles of hills, breaking Kevin Larsen's 1973 record

STOP THE PRESSES!! Warriors make semi-f

The Warriors began their quest for a CIF championship at La Serna, the Whitmont league champions. Many questions were in the public's mind. 1) Could West shake this first game jinx? 2) Were they good enough to be there?

The offense drove for a TD late in the first quarter. Ron Schloderer, Glen Peterson and the key passing of Mark Vasi to Pete Carlson were instrumental in the drive. Tim Gibson's kick made it 7-0 and in 57 seconds it was 20-0. Peterson intercepted a flat pass and returned it 20 yards for the first of the two quickies. LaSerna's very next play was another touchdown as Mike Roquemore intercepted the pass and went on to score. At halftime-Warriors 20, LaSerna-0. LaSerna fought back to a 20-13 defifict, but Vasi directed a drive to the one yard line, consumming 8 minutes. Gearheart and Mills then racked LaSerna's QB for a whopping loss Final score-West-22, LaSerna-13.

On Thanksgiving weekend the Warriors traveled to Camarillo for their second CIF meeting. The Scorpions were a wishhone team that used a Tenneesee defense which were both new to the Warriors. Neither seemed to bother us as Glen Peterson roared to for ID's and senior Ron Schloderer carried the ball 24 times for a total of 54 yards net rushing. The Herb Richey described defense held the high powered offense of Camarillo to 63 offensive yards. Tim Gibson hit his fifth field goal of the corresponding to 43 offensive yards. West emerged the victors boasting a score. West 31 Cammaril lo 6

Quarterback Mark Vasi (Above) watches with some anticipation as running back Ron Schloderer gains yardage on this sweep. Schloderer's running in this Semi-final game against South Hills wasn't enough as the Warriors were finished off 19-3. Glen Peterson (Below), who gained 4 touchdowns against the Cammarillo Scorpions, wasn't quite able to get over the goal line in this Semi-final game at Long Beach's Veteran Stadium

Dave Tressel and Steve Codey (our tackles) both made first team All-CIF. They, along with Glen Peterson, Cory Hons, Louie Mejia and Tim Gibson made All-South Bay. Our All-Bay Leaguers included Hons, Tressel, Burch, Center, and Peterson on Offense, and Gearheart, Codey, Gardea, Peterson and Mejia on defense

nals STOP THE PRESSES!! Warriors make se

The Warriers also traveled to Vet's Stadium for the quarter-finals with highly talented Newport Harbor. It was mp and tack during the first half as the two teams felt each other out for weaknesses. With 1.41 remaining in the half, Vasi drove the Warrior machine in a perfectly drilled 2-minute offense, from their own 20 to 22 yard field goal by Gibson. After the intermission, the Warriors completely dominated the "TARS" as they drove for three TD's and a 24-0 victory. Peterson had two more TD's and another 109 yards rushing. This was our big gest offensive night as we totaled 409 total yards combined rushing and passing

The bubble burst in the Semi-final game as the Warriors dropped a 19-3 decision to the eventual CIF champions, South Hills, West scored on their first drive with a 27 yard field goal by Gibson. Following this 3-0 lead, the Warriors were never to have field position again the entire evening. They were forced to begin drives from their own 10,7,5,3, and 9 yard lines. The Warrior defense was outstanding, but was never forced to play too long

Varsity Soccer Reputation Upheld

This year's Warrior soccer team finished a disappointing third in the Bay League: However, finishing third in the strongest league in the C.I.F. gave the Warriors a berth in the C.I.F. playoffs, The first round of play pitted West against Bishop Montgomery, the winner of the Ocean League. West clearly demonstrated the strength of our league by defeating Bishop 8-3 in a onesided game. In the accord round we were defeated by a strong Santa Ana squad 3-2 in a very close contest. The teams overall 14-1-7 record earned the Warriors 12th. place in the coache's C.I.F. ratings. The team was led by senior Mitch Buckley (who led the team in scoring), junior Steve Fredriksen (team captain), and senior Dave Lathey who led the defense for the Warriors;

Cagers: Best Ever at West

Before the season began, Varsity basketball coach Tom Sutherland called this year's squad "the best team West High has ever had." By season's end, the Warriors had done little to disprove that statement

The 1974-75 edition at school records the most wins in a season (21) and most consecutive wins (7). They finished in the C.I.F. 3A 'Top Ten' and were Ocean League Co-Champs, tying Beverly Hills

West began the season with a lineup of Bob Vogelsang and Lenny Ingails at guards, George Stablien and Dave Neas at forwards and Billy Neu at the center position. Dave Crespin started in a number of games at forward toward the middle of the season, and Dave Ward (Junior was brought up from the Junior Varsity just before the Warriors began League competition playing the center position, moving Neu to forward. These seven saw most of the action with Norm Tappin getting an opportunity near the campaign's end

Neu and Vogelsang made ALL-Ocean League first team, while Stablien was named to the second team. Neu was also selected as Ail-Tournament in all three tourneys (West entered Pacific Shores Hawthorne and the Torrance Christmas Classic)

Varsity **Tennis** Rallies to Success

Riding on the strength of superb doubles teams, the Varsity tennis team got off to it's fastest start ever with an 8-2 record at press time.

Making up the doubles teams were Senior Bob Dubrow and Sophomore Scott Kidman as the first doubles duo, and Seniors K. C. Jones and Paul Gonzales comprizing the second doubles team. So far West's doubles have won a combined record of 42 sets won and 8 lost.

Leading the attack on singles were Junior Jeff Bray, Junior John Gonzales, Senior Bob Staake, Junior Rick Bier and Sophomore Tim Klossner.

Pitching seemed to be the key to the Warrior success this year. Heading the staff, which had an F.R.A. of under two runs a game, was Andy Center. Mike Lynes contributed with a no-hitter against Serra. West had an outstanding relief pitcher in John Ashton. The Warriors were led in hitting by Larry Jones, who batted close to 350. Bill Brewer led the South Bay in stolen bases this year. West began the season slowly, and enjoyed success in both the Palos Verdes and Hawthorne Tournaments and continued their winning ways through the league. West's strength came later in the season from strong defense, led by shortstop George "Bigfoot" Stablien and catcher Glenn Peterson. Key wins this year included Torrance, Palos Verdes, Hawthorne and South. Hussle became the big word on the Varsity squad this year with Jack Wixom, Mark Vasi and Larry Jones leading the way.

Track Teams Meet Approval

Coach Fred Petersen had a tremen dous turnout for track in his first year as the Warrior's head track coach, 132 "thinclads" reported and worked hard toward a Bay League championship The Warriors were picked as the "Dark Horse" of the league with Rolling Hills and Morningside as the favorites. The sprints, hurdles and pole vault appeared to be the strong points as CIF finalist Steve Zak turned in a 9.8-100 and a 22-220. Other top sprinters were Larry DeGasperin and Eric Meyer Cory Hons and Doug Todd led the "timber-toppers" and were strong favorites to win their specialities in the Bay League finals on May 9th Greg Davis and Brett Williams complete this outstanding hurdles crew. Mike Ends had allready tied the school record in the pole vault at 13' 13", and is pointing toward a 14 foot vault. Tim Harist, Dale Fitch and Doug Todd complete the vaulting team. The distance runners were led by John Curry, Larry Janisch, Doug Skinner, Mike House and Rod Tower Fred Burch, Allan Scott and Randy Palmer were the top shot putters, with Burch, a junior, all ready over 50'. Other top competitors are Louie Mejia, long jump, Bob Ludwig, high jumper, Ed Sheve, 440 Long jumper and Ron Schloder. Long jumper

Girl Kickers Make Good . . .

There is a reason for our fine season record of 30 wins, I loss and I tie. That reason is because 29 girls were totally dedicated to skill improvement and good physical conditioning. Last year we won our share, but this year through determination to improve team play, we had almost a clean-sweep of wins.

Our opponents included everyone who was willing to field a girl's team. Pacific Christain College was our season opener. We then played many 1st division and Senior division AYSO teams. Three high schools joined us- South, Lennox and Aviation and next season there be other schools so that eventually a league may be formed

Christy Gearhart was our Most Improved Player while Penny Sebastian received the "Senior Trophy". The Most Inspirational trophy went to team captain Kathy Hazzard. Above and beyond that we have "Tuffy the Tiger", an award that goes to the most aggressive player on the team while she still maintains the heart of a true sportswoman. The "Tuffy" award winner was Jan Smisek.

Set-ups and Spikes, and Everything Nice-That's What Girl Volleyball Players Are Made of...

The Girls Volleyball team had a fairly successful season despite a league record of 7-7. We defeated every team in the Bay League at least once, except for Palos Verdes and Santa Monica, who are consistently on the top as two of the best teams in the C I F. Out of the games we lost, most were very close and exciting. The Jayvees finished their season with a 6-8 record. Teresa Brown was selected to the Alf-League team. Volleyball is quickly becoming one of the fastest growing sports in Southern California allowing a high level of competition between rival schools.

Lack of Courts No Obstacle For Female Netters

This year's Girl netters capped off their season with an unimpressive 6 wins and 10 losses but, as in Boy's tennis, the girls are in one of the toughest leagues in the state

The Warriors were unsteady through the majority of the season. Strong one week and then the exact opposite the next

Coach Marty Holly's standard line-up was usually the following. In singles: 1) Kim Schoening (Soph), 2) Carolyn LaBonte (Junior), 3) Marla Hibbard (Senior) 4) Bridgett Tsao (Senior), Doubles: 1) Julie Lucero (Junior), and Lynn Lester (Sophomore), 2) Peggy Taggart (Senior), and Teddy King (Senior).

The team with the best overall record was our first doubles (Lucero, Lester) who won 70% of their matches

Considering the court situation (West had to play all of their matches away due to our lack of courts) the Warriors did the best they could, ignoring the imposing deterant

The Jayvees finished off their season with a record of 5 wins and 3 losses. Holly expects many of these same players to help the Varsity in the coming 75 season

West Batwomen Burn-up Diamonds

Going into their second season, Coach Marge Fulton's girl softball players are expected to do well in the Bay League. At press time, the girls had not yet begun their season, but Fulton insists that these multi-talented women will build a winning reputation for girl's softball... The girls are led by number one pitcher Sue Hirsch and on her receiving end is catcher Lynn Moorefield. A large percentage of this year's team are returnees from last year's squad, and that's pretty fair insurance for a winning season.

Girls Track

The West High girl's Track team was a new addition to competition in the Bay League this year. Under the combined efforts of Coaches Fulton, Peterson and Shuey, a strong track team emerged. The girls competed in eleven events, including the 880 medley, mile run, hurdles, and the high jump. A group of multi-talented girls, Diane Blasman, Linda Cassidy, Kathy Hazzard, Sue Hirsch, Carolyn LaBonte and Karen Watson ted the team in a great season. Gymnasts Perform Beautifully

The 1974-75 Gymnastic team has come a long way from it's 1970-71 shakey beginning. The team has become more poised, flexible and confident in competition. Everyone has come up to more advanced stunts in their routines. The team participates in the following events; Tumbling, Balance-beam, Vaulting, Unevenparallel bars and floor exercise. The balance beam is probably the most difficult of the five events because the girls only have 4 inches of wood in which to work with Tumbling has a great deal to do with floor exercise. Along with tumbling, there are dance moves to be done on time to the acompaniment of music. The spring board is laid before the house to give the gymnists enough spring in which to execute the vault. The uneven parallel bars require total concentration and control over the body in order to make the movements smooth. Each and every event needs lots of strength and control in order to perform the moves properly. The Bay League consists of the following high schools; North, South, Rolling Hills, Torrance, Palos Verdes and West

Sports Editor's Note

Putting together an entire Sports section was not one of the easiest jobs I ever did, and wasn't a job for which I can claim full credit. I couldn't begin to name the dozens of people who helped me, for if it had not been for their assistance, this section, in short, would have been a total flop The coaches, teachers and administrators should be commended for their advice, but the real thanks should go to the athletes who went out of their way to identify pictures, research information, and double-check statistics to make what I feel is the best Sports section the Chieftain has ever had Scott Antava and Martin Stowe have been told continually how much I appreciate alt the work (and long hours) they went through order to give me such a fine selection of to choose from. Once again, thanks s to all of you who contributed to know who you are

ORGANIZATIONS

The West High Warrior Marching Band proved once again to be the "Pride of the West", as they sounded off this year by winning an unbelievable score of awards and an equally unbelievable number of events. Among the many events in which this "Band of Renown" participated in this year were the Winter Pops Concert, The Music Festival at Aviation High, West High Spirit Day, the half-time show at the Rams game, a number of parades which included, for the first time for any Torrance School, the Rose Parade New Year's Day. Under the superb direction of Mr. Ronald Large, and with Drum Major Alix Plum, the West High Marching Band marchedits way triumphantly through another glorious year

West High Marching Band

Auxiliary Units

The 1974-75 Warrior Band Auxiliary Units have participated in numerous activities. These include football and basketball halftime shows, supplementary entertainment for concerts, and representing West High at many competitions. The Auxiliary Units were led by Majorette Captain Sandy Robbins, Banner Captain Cathy Stone, and Pennant Captain Kris McKee. These award winning units spend many strenuous hours after school and in the evenings preparing for their performances. Their diligence has helped the Warrior Band achieve such honors as performing in the Pasadena Rose Parade and the LA Rams halftime show. Their achievements include the Pennants taking third place at the West High Spirit Day, the Majorettes taking the Sweepstakes Award at the Hawthorne Band Review, and first place at San Gabriel and Camp Competitions.

Pep Squad

"Spirit" is written all over their faces and is shown in the actions of this years Pep Squad. The Pep Squad transmitts this spirit to all the Warrior Fans that attend Pep Rallies, and to all other sporting events. Along with these activities, the Squads have had an active year Boostin' the team by decorating the House of Pancake's, making signs, decorating team rooms, selling Pep Ribbions, and baking "Good Ol." homemade cookies and cakes. Competing for first place in state and local competitions is also an important, and rewarding experience for the Squads. Along with all these activities, Pep Squad also sponsers the Stoirraws, a group of spirited freshmen girls. The President of Pep Squad, under the supervision of sponser Mrs. Roberta Becker, is Rose Jehert. Drill Team

Drill Team is a start of friendships, learning experiences, and a feeling of togetherness. Hours of hard work and practice go into learning routines for Friday night football halftime shows. The same goes for Parades and Band Reviews. The practice shows for the 1974-75 Warriorette Drill Team stole the Sweepstakes Award at their first competition with an all time high score of 97.0 Another Sweepstakes Award and a first place followed this fine performance. In addition to these performances, the Drill Feam performed at a Rams halftime show in December, and the Seniors performed with the Band in the Rose Parade Many thanks to Miss Commeau for her hard work and patience that goes into making this outstanding Drill Team. Arrowheads

During the whole of a dull, dark, and soundless day in the middle of the year, heads were hung oppressively low, working in a frenzy at length to produce ARROW-HEADS, the favorite creative writing magazine of West High. Within this melancholy arrangement the production department, under the tron fist of their evil master, Renee Farrington, was again achieving its superior status of producing the top literary publication of the country; this for the sole enjoyment of its selective readers: West High Students.

BNGLISH

In the mystical gardens of the English department, new programs are constantly sprouting, releasing an immeasurable variety to the wayfaring student. From this beginning has grown three new classes. Alternative Instruction for those students wishing to take more options than what the school has to offer. Advanced Placement for those wishing for a stimulating, intelectual English class, equal to a college class, and Career Education Practical Writing for those students wishing for active participation in an English class.

In the far regions of the south stands a lone structure Building 3. Using the latest methods of inquiry and historical investigation, the students are shown to use their own minds to figure the icasons behind events of the past. To aid in this goal, the history department has added two new electives to its already extensive list, to keep up with the ever growing population of West High. Also started this year was a new program, alternative instruction, which allows the students to work at their own pace, fullfilling certain requirements in which the teacher and the student agreed upon at the beginning of the year.

From the Editors

The Staff has been plagued with many upsets at the beginning of this year. We lost two vital people on our staff and experienced our first all rookie Photography Staff. Despite this we have tried to use our imagination and to be more creative. We have many totally new ideas and layouts in the Opening Section and throughout the book

We hope you enjoy this book for we feel we put out our very best effort. Its your book and we hope you are satisfied with it, if not we are always open for suggestions for next year in room

Chieftain Co-Editors. Chris Robelotto and Joanne Pon-

Very Special Thanks:

To Bob for our fantastic cover and the long hard hours on the Sports Section. To Ruth for the consistant hard work and putting up with photogs. You make great won ton

To Perry for the great teachers section, which if all turned in will be the best

To Bey who made terrific layouts and made her deadlines ahead of time! To Joe the Brew for coming when we needed you, AH, and for the use of your markion1

To Chris and Corrie for the many contributions to the great Opening Section. To Colleen and Kathleen for doing the long laborious index

To Diane for helping Perry so much and doing just about everything

To Mike for the great activity captions, maybe one of these years you'll learn not to prograshnate!

To Martin for coming to our rescue with always excellent prints and for the arial shot

To Scott and Rick, two great rookies, for being in period 5 making prints for mad deadline rushes. We depended on you guys a lot. This was a year of learn ing and experiencing, hope you guys continue for two more years.

To Russ, Brad, Johnny and Tim for your devotion and many contributions to the book. You guys really made Staff a blast

To Keith Meshetto, Richard Hurst, Sandy Robbins, Sharon Parks, Berry Burns and Robert Dlouhy for all your help second semester. It was great having

To Teddy for the contributions to the Opening Section and work first quarter We were sorry to see you go

To Chris, my Co-Editor, I could have never gotten through without you Remember its our book, and all the obstacles we pulled through together

To Jo for your great dedication and many hours of overtime. We wouldn't have made it without you. If there was an award for Most Dedicated Editor you'd be sure to win-

Finally to Mr. D for always being at our side no matter what we did. You were always there to take last minute pictures, make layouts and to give us peptalks. Maybe some day we'll see your desk. We love you
